Product Name: Cyclone

Part Numbers: 690-209-58123 & 690-209-58124

General Notes:

The Cyclone is a medium height slide with integral polyethylene runway, handrail and ladder. The Cyclone requires no plumbing or water supply and is available in a right curve model only.

Application:

This slide is intended for in-ground residential swimming pools only. A minimum of a 42” water depth is required. With proper deck anchoring, this product is suitable for use in most geographic regions.

Specifications:

1. **Runway:** The slide runway is made from thick, durable, roto-molded polyethylene.

2. **Handrail:** The two (2) ladder handrails are integrated to the ladder and are made of molded polyethylene.

3. **Ladder:** The ladder is inclined 15’ off vertical with four (4) enclosed steps for ease of climbing.

4. **Anchor Assembly (Included):** Slide is anchored to the deck using seven (7) ½” (12.70mm) diameter stainless steel anchor studs with hardware.
